PREVENTION And HEALTH At WORK - Conference in PARIS

New Risks & Digital Opportunities

PARIS, 19.05.2017, 08:15 Time

USPA NEWS - Taking steps to help you and your workers improve health and wellbeing could also improve your business' safety performance, productivity and workplace culture. Broadening the scope of your workplace health and safety systems to include work health can have considerable benefits for your business.

Taking steps to help you and your workers improve health and wellbeing could also improve your business' safety performance, productivity and workplace culture. Broadening the scope of your workplace health and safety systems to include work health can have considerable benefits for your business.... That's the message sent to companies in order to achieve their business goals.

As part of managing the health and safety of your business, you must control the risks in your workplace. To do this you need to think about what might cause harm to people and decide whether you are taking reasonable steps to prevent that harm. Some issues can occur :

- * Managing Mental Health Risks at Work
- * What would you do when Approaching an Employee you're concerned about
- * To Keep Business in Mind
- * To Work on Workplace Mental Health Awareness
- * Perspectives for Some when Returning to Work
- * Organisational Leadership
- (...)

On May 11, 2017, was given a Conference at Salons Hoche (Paris) by Les Echos on the New Risks and the Digital Opportunities at Work.

We have entered a new Digital World of Work, a world which will dramatically change the way we manage. The result : the way we manage, lead, and organize ourselves is undergoing a radical change. Adding to these changes are a tremendous number of innovative new technologies, tools and systems for HR and other services related to Employees' wellbeing at Work.

The Program was as follow :

- * Debates animated by Laurence N'KAOUA, Journalist at Les Echos.
- * Introduction by Ludovic GUILCHER, CEO at Orange (Business Department)
- * Which Impact has the Digital on Prevention and health at the Workplace
 - Jean-Claude DELGENES, Founder & CEO at Technologia
 - Olivier MERIAUX, Deputy General Manager & Technical & Scientific Manager at ANACT
 - Stéphane PIMBERT, CEO at INRS
- * How to develop Social Dialogue in today's Digital World.
